Hi,

As we discussed with you and vikram, please go ahead with tech stack given.  
Please check Service Worker browser cache API should be compatible with all required browser as per Internal IT tech stack (IE 11 Edge onwards ,Chrome 22.x+ , Safari 4.x+ and Firefox 3.x,4.x,20.x+) .

Thanks & Regards

Subject: Front End Angular 1.X Tech Stack

---

Hi Darshan,

As discussed for the Angular 1.x front end changes while using Reframe . Attaching the docs mentioning the details as discussed. Request you to go through it once and provide approval to go ahead with . Angular 2 as discussed has been dropped .
